### ABOUT ETIHAD TECHNICAL

- As the airline grows, Etihad Technical is the next leading line maintenance provider.
- Proud to achieve industry leading On Time Performance.
- Safety and security of our guest and staff is our highest priority. Zero Accidents.
- We have a team of highly trained and qualified maintenance personnel.
- In addition to EASA/GCAA Maintenance Organization Approval, we hold approvals from other National Aviation Authorities, including CASA Australia, QCAA Qatar, India's DGCA and many more.
- We offer variety of line maintenance services which includes technical assistance with or without CRS.
- In various stations, we offer aircraft spares in the IATP Pool List.

We have a strong capability to support your line maintenance operation and have high standards of reliability

Etihad, as the next leading line maintenance provider, offers our customers 24/7 services, not only in Abu Dhabi but worldwide in our 11 manned stations.

#### We deliver best services in terms of:

1. Transit checks and aircraft push backs
2. Daily and weekly checks
3. Engines, APU's servicing, replacements and AOG recovery
